**Proposal to Establish an "OTR Educational Committee"**

25X1A9a

1. [REDACTED] has proposed the establishment of an "OTR Educational Committee" (see attachment) as an additional means of attaining and maintaining the highest possible standards of training and training techniques in OTR. It is intended also as a means of achieving greater uniformity of training throughout OTR and of encouraging coordination among the several schools and faculties. It would supplement the weekly staff meeting by providing the "teaching staffs" with an opportunity to meet together to discuss "teaching problems."

2. We are prepared to discuss this with you at your convenience.
